"Life is a journey, often difficult and sometimes incredibly cruel, but we are well equipped for it only if we tap into our talents and allow them to blossom".

Empowerment through education is absolutely imperative. It helps the women to understand the varying circumstances of life and opens the door to upward mobility.

SKPC serves as the "Temple of Learning" with an objective to shape the women from within and empower them to face the challenges of this competitive world. We are committed to develop women who are resilient and adaptable, equip them with the knowledge, skills, and nurture them to continue their education and become personally fulfilled, independent, socially responsible, and holistic person who can face the challenges of real life.
