## COMMITTEE OF MANAGEMENT

### Sri. Guggilam Ramesh Correspondent

"A woman is the full circle. Within her is the power to create, nurture and transform."

- Diane Mariechild

Educated women will become leader with right mindset, making right decision at the right time. If a male leader takes you where you want to be, a female leader takes you where you ought to be. We at SKPC believe that empowering women through education and holistic development is the key strategy to bring transformational change in order to achieve developed nation and aim at intellectual upliftment of students by facilitating women's empowerment through seminars, workshops, awareness programs, certificate courses, internships and other welfare activities. We provide ample of opportunities and tools and train the women. SKPC inculcates entrepreneurial attitude among young girls, strengthen the psychological attitude of women to handle critical circumstances and develop multidisciplinary approach for the overall personality development. If women are empowered, the hand that rocks the cradle can surely rule the world, complementing, contributing and creating a better tomorrow for everyone.

### Dr. T.Mohanashree Principal

" Learning gives creativity, Creativity leads to thinking, Thinking provides knowledge, Knowledge makes you great"

- Dr A.P.J. Abdul Kalam

Education is one of the powerful tools to stand high and progress towards life. There is definitely a world of difference between being a literate and an educated person. An Educated person aims high and shapes their character for betterment in all sense. We believe in grooming our student community into a highly educated person and not just a literate. This institute established since 1999, a temple of learning, focuses on boosting the best from an individual who joins us to grow together. We offer a stream of courses of various background pooling knowledge into different domain like Arts , Science and Commerce and I am sure students joining our SKPC family would benefit from the institution, provided they equally contribute and set a ground work for themselves to develop and move towards achieving their goals. Our Current theme for this academic year is "VISIONARY WOMAN", a woman being proactive, determined and an achiever in her life, now and forever is our ultimate goal. We visualize the visionary women of future through our platform of SKPC. Join us to blossom together!

# DEPARTMENT OF SOCIOLOGY

## MESSAGE BY THE DEPARTMENT HEAD

Sociology studies the structures of our society and how individuals get affected by them. Sociology looks at how these structures came into being and how individuals interact with them. Subjects of study can range from social problems to religious organizations, race, class and gender to the makeup of the family unit or the state. As an academic subject, sociology seeks to understand the reciprocal relationship between human consciousness and the social and cultural structures which surrounds it. Sociology students will learn how to source information, extract what is important from it. All sociology degrees teach research methods, including statistics.

### ELIGIBILITY CRITERIA

Pass in Tamil Nadu Higher Secondary or Equivalent Examination recognized by the University of Madras.

# CAMPUS LIFE

## Dynamic Student Life @ SKPC

### Students' Council

Nakshatra Students' Council activities promote students success by offering a variety of programs and services. These students represent a well considered plan for the development of society in our college campus. Students' council encourages sports, arts, cultural, educational and recreational activities that are incidental and conducive to the objectives. This promotes opportunities for the development of character, leadership, efficiency, knowledge and spirit of service among the students.

### Association

Department Association provides the platforms for each and every student to showcase their talents and enriches the students' skills.

### Placement

Financial Assistance to the needy and meritorious students are given through various scholarships. Placement Consortium organizes skill development programmes and also invites various companies to recruit the students.

### Scholarship

### Kalaalaya

Kalaalaya Fine Arts Association enhances the latent talents through intra & inter collegiate cultural events.

### Book Bank

Kanyaka book bank was started in the academic year 2014-15 for the benefit of deprived students. It aims at the student community who are in need of books. The books were donated by old students, various departments of the college and people from different walks of life from outside community who believe that gaining knowledge should be available to the neediest students.

### Magazine

College Magazine provides opportunities to let out students' literary and creative skills in the magazine which is released every year.

### Empowerment Program

Under Empowerment Program Government of India Certified Diploma Courses in Fashion Designing, Beauty Course, Tally, Web Designing, Preprimary Teachers Training, Yoga and Meditation are conducted to develop entrepreneurship among students

### Sports

Sports are given equal importance to balance both physical and mental well being.

### Kanyaka Nestor

Counseling Cell attends the psycho-social issues of the students through counseling.

Kanyaka Nestor conducts events to bring the passed out students back on a common platform.

# EXTENSION ACTIVITIES

**National Service Scheme**

The Motto of NSS "Not Me But You", reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students to understand themselves in relation to their community, to identify the needs and problems of the community and involve them in problem-solving, to develop a sense of social and civic responsibility and to acquire leadership qualities and democratic attitudes.

**Rotaract Club**

The Rotaract club brings together dynamic youngsters with a common vision to make anything and everything better as much as humanly possible and serves as the perfect platform for anyone to grow and to make the society grow together - bringing together young aspirants and experienced achievers of diverse fields.

**Karuna Club**

Compassion is the chief law of human existence. All the programmes and activities are focussed to inculcate and develop the human values in younger generation.

**Youth Red Cross**

Youth Red Cross programmes, are an integral part of the strategic approach; we value the diverse and important roles that young people perform as innovators, inter-cultural ambassadors, peer educators, community mobilers and most importantly agents of behavioural change and advocate for vulnerable people

**Citizen Consumer Club**

Spread awareness and develop skills relating to consumer rights

**Eco Club**

The club empowers students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their peers and neighbourhood communities to promote sound environmental behaviour

# EMPOWERMENT PROGRAMME

To MAKE YOUR  
EMBEDDED IDEA  
A REALITY

The empowerment development program aims at supporting the sparks of budding entrepreneurs and manifesting the spirit and energy of young students. Skill development and placement certificate courses offered by MHRD Government of India for this academic year are Associate Transactional Finance and Accounting Co-Coordinator, Assistant Counselor, Front Office Management, Nutrition and Dietics, Beauty Therapy, Handmade Specialist, Fashion Designing, Mehandi, Tally, Web Designing, Preprimary Teacher Training & Yoga and Meditation are conducted to develop entrepreneurship among students. Successful candidate will be awarded with certificate of entrepreneurship skill development programmer issued by Ministry of Women and Child Development. Two wheeler coaching classes are also organized for the welfare of the students.

## INTERNAL QUALITY ASSURANCE CELL (IQAC)

IQAC exists as a heart of our institution, which pumps in various activities to sustain the quality on a continuous basis. Various activities like auditing (both academic and administrative), conducting FDPs, monitoring the academic activities, conducting regular meetings and reviews, monitoring performance appraisal and feedback, motivating the staffs, bringing in new practices for quality enhancement in the field of higher education becomes a part and parcel of IQAC activities. The ulterior goal is to serve the student community by and large thus expanding the qualities in them for being a better human being into the society and self.

SKPC maintains high standards of teaching and provides unique learning opportunities for students. The students and faculty are exposed to various National and International Conferences, Workshops, Guest Lectures and Seminars organized by all the departments.

## ICT ACADEMY

SKPC in collaboration with ICT Academy organized Faculty Development Programmes and Power Seminars, “Skill Saathi” - Personality Profiling Workshop, Internships at Tamil Nadu Skill Development Corporation (TNSDC), Guindy, SIDBI’s Entrepreneurship Development programme & TNSDC’s Retail Sales and Management programme. SKPC received **“Cloud Champion” Award** for the year 2018.

## INTERNATIONAL YOUTH EXCHANGE (GLOBAL UNDERSTANDING FOR SUSTAINABLE DEVELOPMENT)

Our college along with Audacious Dreams Foundation has exposed our students to participate in various youth exchange programmes at International levels. This year our college hosted India-Srilankan youth exchange programme where by Srilankan delegates had an interactive session with our students. Our college organized International youth/student experiential learning study tour programme on GUSD to Malaysia where two of our students sent as delegates for the programme.

# RULES GOVERNING ADMISSION

1. Applications from eligible candidates should be made in the prescribed form only.
2. Separate applications must be submitted for each course/shift.
3. Each application form has a serial number which should be quoted as a reference.
4. The applicants must read the instructions carefully and make sure that they are eligible for the course they are applying as per the University norms.
5. Application forms will be issued in the name of the candidate seeking admission and it is not transferable.
6. Candidates and their parents shall be solely responsible for the declaration made in the application form. If, at any time, it is found that the particulars given are incorrect/inaccurate/incomplete, the admission will be forfeited.
7. Candidates must fill the applications legibly in their own handwriting.
8. Filled-in application should be submitted to the college office immediately after publication of the results of the qualifying examination.
9. Applicants from other states/boards, where the results are announced late, can send their filled forms within the stipulated date except the result column and they should submit their marks within a week after the publication of the result.
10. A parent/guardian must accompany the candidate at the time of interview and admission.
11. Selected candidates have to produce their documents as demanded by the college authorities.
12. Selected candidates from other states/countries have to get Migration Certificate and Eligibility Certificate from the University of Madras and submit to the office.
13. Selected candidates are advised to keep additional photo copies of their certificates, as the originals will be retained at the college office, which will be returned to the candidates only on the completion of the course.
14. If the candidate admitted is absent for five or more days continuously her name will be struck off from the rolls.
15. Candidates proficient in sports or other curriculum activities at the State / National level will be given preference in admission.

## INFORMATION TO PARENTS

The college authorities have, high standards of academic efficiency and discipline. Regular attendance in class, laboratory work and tests is a must. Tests are held periodically and the progress of the students is carefully monitored. Parents must co-operate with the college authorities in enforcing rules of academic, conduct and discipline and must assure the authorities that they take responsibilities for the proper behavior of their ward. Failure to respond to the college communications will be deemed to be non-cooperation by parents and disciplinary action will be taken. Parents shall meet the class-in-charge and Head of the Department in Parents - Teachers Meeting held twice in a year or whenever they are called by the college authorities.

**Note:** SKPC is a self financing charitable institution & does not receive any financial aid or grant from the Government, Universities or UGC. Any withdrawal after admission leads to budgetary loss with no compensation from any source. Therefore parents and students must avoid withdrawal / discontinue of course and prevent any loss incurred otherwise.
