CBSE

JOHNSON GRAMMAR SCHOOL

DRIVE | INSPIRE | CREATE | INNOVATE | LEAD

Our students have always peaked in their careers for they are equipped to create, to innovate and to lead.

Innovators are always looking for betterment, and We at Johnson's are always driving our selves to inspire our students. Whilst creating an idea is very important, equally important is to reinvent that idea, for those who create and innovate are forever remembered.

SENIOR SECONDARY XI & XII

Great works are performed not by strength but by perseverance

(Samuel Johnson)

However strong One may be, goal can't be reached without perseverance. We strive hard at Johnsons to instil the spirit of determination and will power in the minds of the students to achieve their targets. In this age of cut throat competition, student must be able to tap the right door to enter the right institution to make the right choice.

Here is Johnsons to create such an opportunity to you! The CBSE School at Nacharam provides you with a number of pathways to travel in the correct Direction.

Choose the road less travelled by And that will make all the difference...

Commerce Stream (MEC)	Maths, Economics, Commerce, English	CPT

It's not where you're from
it's where you're going
It's not what you drive
it's what drives you
It's not what's on you
it's what in you
It's not what you think
it's what you know

CBSE (MEC)

Commerce and Economics are instrumental in deciding our lives and the lives of the coming generations. Johnsons offer MEC keeping in view the students who aspire for CPT – IPCC & CA.

Thus focus placed on all round development of students personality at Johnson will make them achieve a career of their choice.

SSC & ICSE Students are also eligible to opt for CBSE XI JGS guides the students to go confidently in the direction of their dreams so that they can live the life they have imagined.

Pursuing the academic career in Civils Or research depends on the interests of the children but proper guidance and support will be given by the institution. Leonardo da Vinci well said, "It had long since come to my attention that people of accomplishment rarely sat back and let things happen to them. They went out and happened to things."

The Students can't run away from a challenge because they are afraid. Instead, they must run towards it because the only way to escape fear is to trample it beneath their feet.

Admission Requirements

The following documents are to be enclosed with the application form :

- SSC / CBSE / ICSE / Other State board marks memo in Original with 6 Xerox Copies.
- Transfer Certificate in Original with 6 Xerox Copies.
- Caste certificate – for candidates who claim reservation (SC, ST & OBC)
- Migration Certificate – (for AISCC, ICSE, CBSE & Other State Students)

When admissions are in progress, details of admission & any doubts of the students will be clarified on the spot. This will help the parent & the Student to take the right decision in opting the subjects of their choice.

- a) Fee once paid, will not be refunded.
- b) After confirmation of admission into the institution, information regarding the commencement of classes will be communicated in due course.
- c) Students should always keep the identity cards issued with them for the purpose of verification.
- d) Students are not allowed to use Cell phones in the Campus.
- e) Parents are allowed to come & discuss the progress of their wards on the specific days of PTM.

CBSE (MPC, BiPC & M BiPC)

The aspirants of science Subjects will have an awareness of various destinations. The students will be constantly guided towards their goal. They will be reminded that various alternative opportunities like IISERs (Indian Institute of Science Education & Research), IIST (Indian Institute of Space Technology) & ISI (Indian Statistical Institute) are also there in their hand.

The students of science subjects will be encouraged to compete for Olympiads, NTSE (National Talent Search Exam) & KVPY (Kishore Vygnanik Prothsahan Yojana) Exams. The library with required number of reference books and well equipped laboratories will enhance their knowledge and hone their skills. The experienced faculty is rated a notch above the rest in the field. The ambience creates a lasting impression in the minds of the students and ameliorates the stress. The students will be given sufficient time to relax and prepare for the next day. The courses offered with the intensive training is surely what the students look forward to.
