ABOUT COLLEGE

SRI KANYAKA PARAMESWARI ARTS & SCIENCE COLLEGE, under SRI KANYAKA PARAMESWARI DEVASTHANAM & CHARITIES is located in the busiest commercial area in Chennai. The charities has embarked 295 years of historical service towards humanity. The Committee of Management believes in motivating the student community by inculcating value system in them, through 3P's i.e **PERSEVERANCE, PERFORMANCE AND PROGRESS** and also believes in the Indian culture and tradition. The Institution has 16 successful years of experience in the field of education.

The Institution offers 9 UG and 4 PG courses and is affiliated to the University of Madras. The curriculum is formulated and framed by the University (CBCS pattern -Choice Based Credit System) to enhance and enrich students' knowledge in different disciplines. To reach people at global level, the institution provides an opportunity for students to download application through the institution website.

The institution follows a systematic admission procedure based on the university norms and Government quota system. The meritorious students are given spot admission. Bridge courses are offered by the departments specifically to provide exposure and orient the students in the first year on the basics of the subject they have chosen, especially on the new subjects like Psychology, Sociology and Interior Design & Décor. Academics play a vital role, where a systematic lesson plan is furnished and an organized way of delivering the concepts is functional and monitored through regular tests and model exams. Various techniques like role play, group discussions, regular assignments, seminars, peer learning are used to enhance the learning process. The classes are well furnished with appropriate amenities. This institution has a pattern of ONLINE LECTURE NOTES (OLN) to help the students to reach out the lecture notes anytime, anywhere via the website. The institution also has remedial measures to cater to the needs of the students and facilitate them to improvise academically by conducting regular special classes after working hours and the same is monitored. Student mentor system plays a significant role in dealing with the overall development of the student community. The institution has a feedback format to collect data from the students and also from the parents to assess the teaching fraternity and the overall system. Regular parent teacher meeting is held to intimate to the wards' progress.

There are exclusive ICT facilities with applications like WI-FI, Smart class room, computer labs, language lab, use of lap top in classes.

The library is Automized & digitized with INFLIBNET facility.

The institution has hygienic rest rooms and sanitary napkin vending machine.

To instill a sense of accountability, humbleness, strength of mind, modesty, commitment and insight of service among the students, they are engaged in various clubs like National Service Scheme (NSS), Red Ribbon Club (RRC), Youth Red Cross (YRC), Rotaract, Citizen Consumer Club (CCC), Eco Club, and Karuna Club.

There are various redressal units like Grievance Cell, Anti Ragging Committee, and Counseling Cell to attend to the issues related to students' emotional stress.

Placement Consortium is the backbone of the institution where skill development programmes are organized and HR from various companies conducts "on campus" recruitment for selecting the students.
